

Prophet Mohammed, born on (shown after payment) was indeed a prophet as they called him. The cause of his death is known to us, but unknown to the world. His birth data was lacking but our Superview can trace back to the exact birth date and time. If you want to know more about him, his life, and anything else that the books didn't say about him, we will have unbiased answers for you. Prophet Mohammed was indeed a merchant with great earning as shown in this quick snapshot below. He has fame in religion, and had great interest to know God. If you are religious leader who like to know the truth, this is a lifetime opportunity for you, for other religious leader as well. You will get a nicer chart through purchase, and complete data about him.

True (preview) Chart of Prophet Mohammed's last day.
